

TRUSTED QUALITY IN EVERY GRAIN

www.ssibasmati.com

INTRODUCTION

Basmati Rice Manufacturers in India

Founded in 2005 at **Samlehri, Ambala (Haryana)**, Shiv Shakti International is a **leading manufacturer and exporter of premium Indian basmati rice**. Rooted in the basmati heartland, we are dedicated to preserving the authentic aroma, taste, and richness of Indian basmati and delivering it across the globe.

Government-accredited as a 3-star export house, we are driven by **customer centricity, authentic quality, innovation, and sustainability**. Combining a strong farmer network with advanced milling and fully automated packaging, we ensure unmatched excellence at every step.

Today, we proudly export our legacy of Indian Basmati rice to **50+ countries worldwide**, bringing trust, quality, and authenticity to every grain.

SHIV SHAKTI
• INTERNATIONAL •

Vision

To be the gold standard of authentic Basmati rice, delighting consumers across the globe.

Mission

To lead the world in preserving and elevating the true flavours of Indian basmati rice.

Values

Integrity in every grain, authenticity in every pack, and customer centricity in every step. With ethical practices and care for the environment, we build trust that lasts.

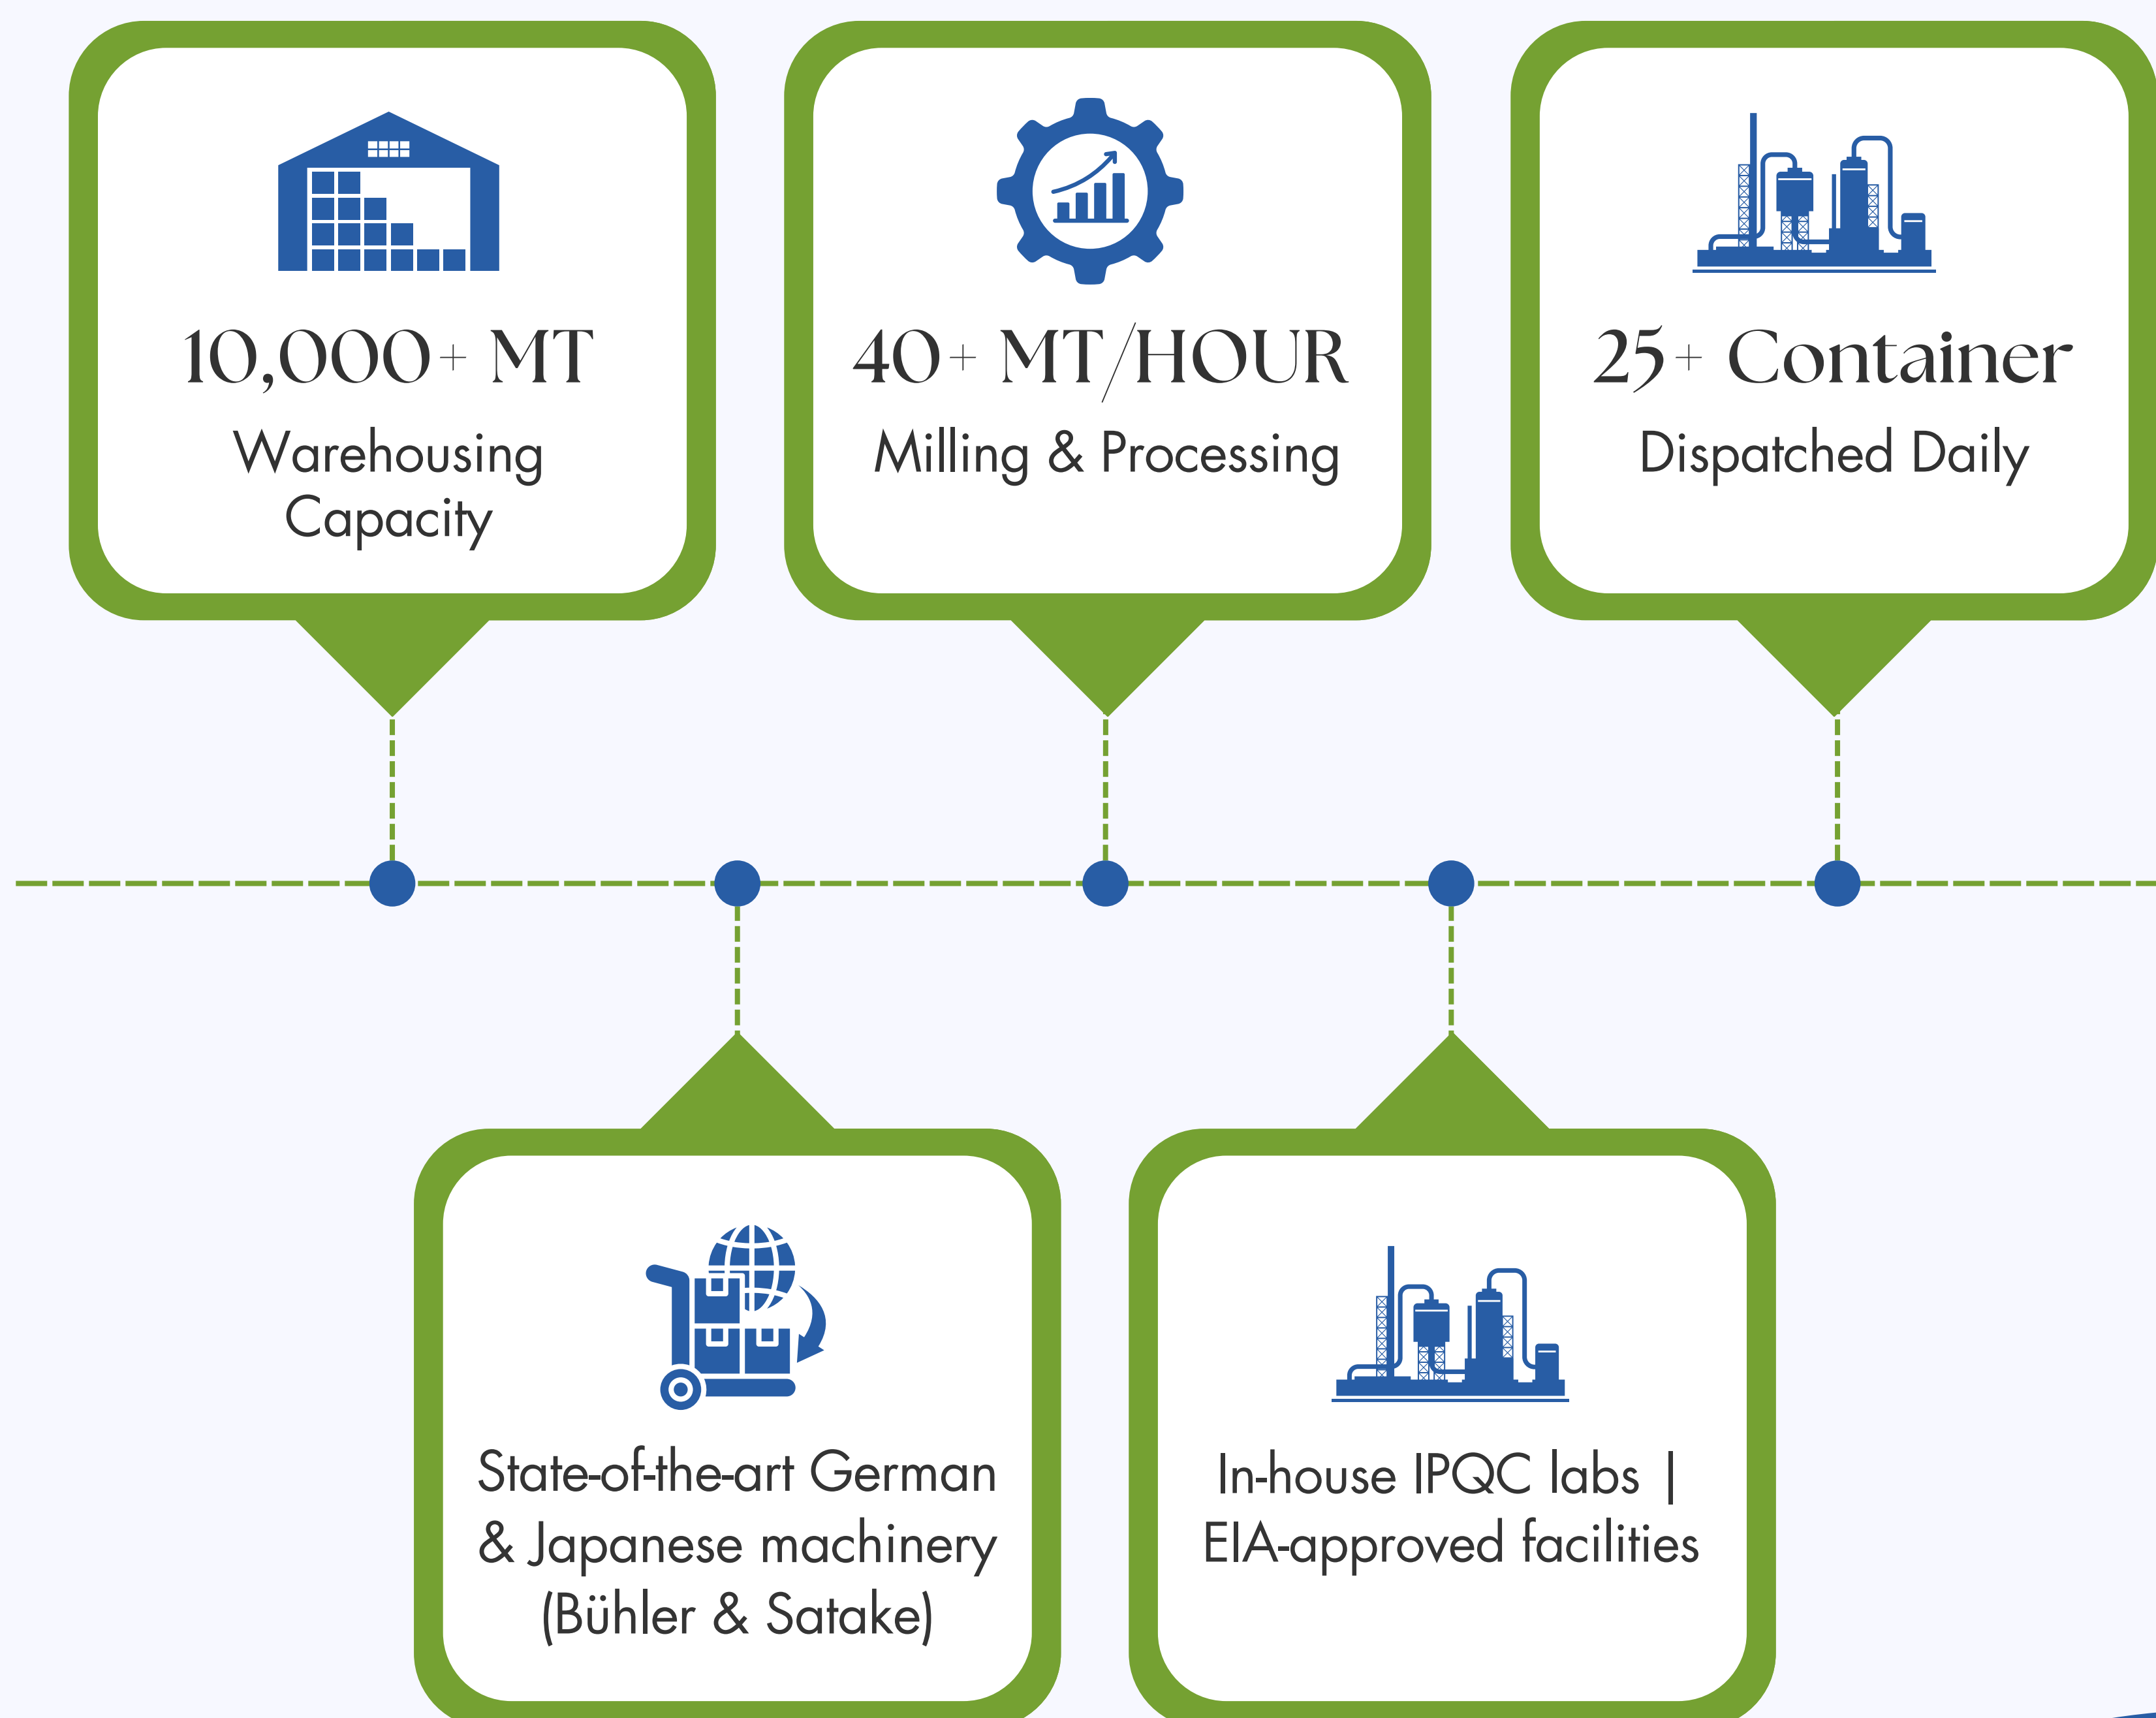

INFRASTRUCTURE

Where Technology Meets Tradition

At Shiv Shakti International, our infrastructure blends scale, technology, and sustainability to deliver authentic basmati rice with unmatched consistency.

We are committed to sustainable growth with redefined definition of quality and consistency right from the farm to plate

Innovation and automation power every step of our infrastructure.
From farm to final shipment, we ensure quality, efficiency, and sustainability — delivering excellence in every grain.

OUR COMPETITIVE EDGE

Excellence That Sets Us Apart

Combining heritage, high-tech infrastructure, and private labelling expertise to deliver premium basmati rice worldwide. From farm to brand, from aroma to excellence — we turn every grain into a story of trust, quality, and global delight.

Our Strengths

Unmatched Quality

- ◆ GMP & EIA approved plant with BRC & US FDA certifications
- ◆ In-house QC labs ensure flawless quality at every stage
- ◆ Fully automated packaging for precision, hygiene, & consistency

Strategic Location & Logistics

- ◆ Heart of the Basmati belt for direct, traceable sourcing
- ◆ Seamless connectivity to ICDs, ports, and Delhi for fast global shipments

Private Labeling & Custom Solutions

- ◆ Your brand, our rice — flexible private labeling for retail and bulk SKUs
- ◆ Custom packaging options: jars, vacuum packs, small & large SKUs
- ◆ Export-ready solutions for global markets

Scale & Efficiency

- ◆ 25,000+ farmer network enabling cost-competitive sourcing
- ◆ Bulk storage for uninterrupted rice availability
- ◆ Automated operations delivering efficiency, speed, and reliability
